Imagine this, every spring thousands of magnificent birds return to the Old Thedford Bog near Grand Bend, Ontario. This stop is the first on their migration trip to the arctic, after departing Maryland. This staging area, where the Tundra Swans rest gives visitors an amazing opportunity to see wildlife up close. We will visit the Lambton Heritage Museum and discover the rich history of Lambton County. Our group will meet a Naturalist at Pinery Provincial Park for a talk and tour. Lastly, a little free time to shop for a souvenir or two to bring home.

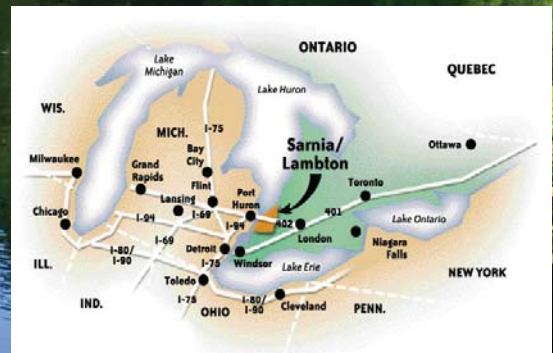

Welcome to miles of scenic waterfront, distinctive arts and cultural attractions, award winning floral gardens and lush parks, all this can be part of your group tour.

Ideally located in the heart of the Great Lakes region Sarnia and Lambton County are bordered by the sparkling blue waters of southern Lake Huron and the St. Clair River.
