Sarnia is very proud to be recognized a 5 Bloom Communities In Bloom competition and after you have seen the gardens you will agree. Wear your comfortable shoes so you can walk the beautiful public gardens. The gardens are full of colour and designed to awaken your senses. A Master Gardener will be the guide and share many garden secrets, so don't be afraid to ask questions. Our tour will visit the gem of Lambton County, Canatara Park featuring a 22 acre sample of Carolinian forest that once covered part of Southwestern Ontario. Our group will enjoy a tasty teahouse lunch including a decadent dessert along with time to tour the greenhouses and do some shopping.

Welcome to miles of scenic waterfront, distinctive arts and cultural attractions, award winning floral gardens and lush parks, all this can be part of your group tour.

Ideally located in the heart of the Great Lakes region Sarnia and Lambton County are bordered by the sparkling blue waters of southern Lake Huron and the St. Clair River.
