For years Sarnia and area residents have given an enthusiastic send off to the many sailing boats as they set off for Mackinac Island. The race is one of the longest fresh-water races in the world, and one of the oldest. The first was held in 1925. Sailors come from around North America to participate, and spectators are able to view in only a few hours some of the most majestic yachts that sail the Great Lakes.

It's a great morning out for the whole family. The Rotary Club of Sarnia has been serving their signature Pancake Breakfast since 1982. The breakfast comes with pancakes and syrup, sausages and a beverage. Included with the breakfast this year will be Tim Hortons coffee.
